

## **Fire safety in block 1**

- ❖ **The balconies are a vital part of the escape routes.**
- ❖ **Does your balcony provide unhindered passage in both directions?**
- ❖ **Contact your neighbour in case of problems.**
- ❖ **Report any passage problems to the building manager.**
- ❖ **On May 1, 2019 a second fire inspection will be performed:**
  - **All fire doors and escape routes will be checked.**

**Kind regards,  
the board of directors**
